Schedule

Breakout and discussion sessions every day.

- Wednesday: 9 AM - 5 PM
 - Lunch at Russell House
- Thursday: 9 AM - 5 PM
 - Lunch at Russell House
- Friday: 9 AM - 1:30 PM
 - Lunch Provided at Hollings Library

Two presenters were not able to travel, so they will be speaking remotely, with pre-recorded video backup if needed.

West Nile Virus Warning

On Monday, a dead bird was found to be carrying West Nile Virus.

Take care to keep your arms and legs covered.

We have bug repellent on hand for your use.

- West Nile virus is most commonly transmitted to humans by mosquitoes.
- There are no medications to treat or vaccines to prevent WNV infection.
- About 1 in 5 people who are infected will develop a fever with other symptoms.
- Less than 1% of infected people develop a serious, sometimes fatal, neurologic illness.
